REEL TIME

Wedding Bar Services at Reel Time Bars

Reel Time Bars is a Liquid events company based in Edinburgh. We work in partnership with Many castles and other venues to provide their clients with first class bar services for their weddings and events. Our bar team is made up of award winning cocktail bar staff whose style and expertise help to deliver **the perfect serve every time.**

WINE PACKAGES

Many of our clients who are getting married in marquees, stately homes, and other private venues, like to choose from our fantastic wine packages. Not only do you get to drink some fantastic wines and prosecco, you also eliminate the need to transport any alcohol to the venue, provide glassware for the meal and then remove any empty bottles and take home the excess.
